W. E. Arnold asked to be released from the Examining Committee of the class of the first year, and that M. S. Clark be put in his place. Granted.

The question of law submitted for decision at the first day's session was decided by the bishop in the affirmative.

The question and answer are as follows:

While presiding over the Kentucky Conference, September 7, 1903, Bishop E. R. Hendrix officially announced that Julius E. Wright, a member of the said Kentucky Conference, was transferred to the Indian Mission Conference, record of the transfer was made on the Kentucky Conference Journal, and certificate of the transfer sent to Bishop E. E. Hoss, President of the Indian Mission Conference. Bishop Hoss refused to recognize the transfer, made no announcement to the Indian Mission Conference of the same, and left Bro. Wright without an appointment.

Question: Does the official announcement that a preacher is transferred from one conference to another operate a change of membership, so that his rights and responsibilities in the conference to which he is transferred begin from the date of his transfer by the bishop making it?

Answer: "It does. A. Coke Smith."

It was moved and seconded that we reconsider the action by which the minutes of the first day's session were approved. On standing vote the motion was carried, 56 for, and 42 against. It was then moved and seconded that, after a proper mention of the fact that a communication from Rev. Julius E. Wright asking for a decision as to his relation to this Conference, had been received, the minutes be corrected by striking out the communication. The following substitute was offered:

Resolved, That in receiving the communication from Rev. J. E. Wright and admitting it to record, we do not commit ourselves to the contents thereof, nor do we express any opinion as to the administration of Bishop Hoss in his case.

(Signed.)

C. J. NUGENT,
D. B. COOPER.

APPENDIX.

MEMOIRS.

REV. ROBT. HINER, D. D.

Dr. Hiner was born in Fleming county, Ky., February 9, 1825. In early life there were events which profoundly impressed him and shaped his career. From his seventh to his eleventh year he saw his father struggling with consumption, and during this period make a surrender of his heart to God. Subsequently his mother entered into the same covenant. The new-found joy of the parents, the repeated conversations on religious topics, the sacrament of the Lord's Supper administered in the home, the grace that sustained in the midst of affliction, the family altar at which the mother often ministered, and the triumphant death of his father when the son was but eleven years of age, laid, as he was wont to say, "a foundation in my conscious being which no evil has been sufficient to destroy; for God, Christ, heaven, the Bible, the Church and the Judgment have been as real to me as day and night, heat and cold."

In his fifteenth year he united with the old Goddard Church, and his testimony is, "When the officiating minister took my hand I felt the peace of God that passeth all understanding, and, while many were shouting the praise of God, I sat in quiet, shedding tears of gratitude and joy." By neglect of duty and privilege he lost for a short period his peace of mind, but by patience, confession and prayer he had soon restored to him the joy of salvation, and with it came a qualification for service in prayer, in class meeting and in the Sunday-School.

In 1845 he went to Bath county, became a clerk in a dry goods store and united by letter with Bethel church. In September, 1846, he was married to Miss Melissa Taylor. The faithful wife preceded him by a few years to the better land. Seven children still remain, one of whom is Rev. M. W. Hiner, of the Kentucky Conference. In the winter 1846-'47 he was licensed to exhort. In the fall of 1847 he was licensed to preach by the Millersburg Circuit at Carlisle, Ky., Rev. George W. Maley, P. E., and Rev. George W. Bush, P. C. In 1848, at Flemingsburg, he was admitted on trial into the Kentucky Conference. For forty-nine years he was in the active work, and for six years he was a superannuate. During the former period he served Louisa, Falmouth, Taylorsville, Bloomfield, Winchester, Maysville district, Scott-street Covington, Lexington, Mt. Sterling, Covington district, Nicholasville, Cynthia, Shelbyville district, Frankfort, Danville district, Shelby circuit, Carrollton and Warsaw. He served twice each Taylorsville, Mt. Sterling, Scott-Street Covington, Mays-

ville district and Shelbyville district, besides two years during the Civil War at Decatur, Ill., and two years in the college agency.

Dr. Hiner accomplished without early advantages what other men accomplish with them. His struggle made him self-reliant, enabled him to overcome difficulties and developed the muscle of body, mind and heart for noble achievement. Socially, he had few equals. He made friends everywhere. He adapted himself to every condition in life. He was the charm of many a social circle. Even in old age the young delighted in his company. He was welcome in as many homes perhaps as any of his brethren. So large a place had this element in his nature that, while it aided him in his work, he felt that it had to be restrained.

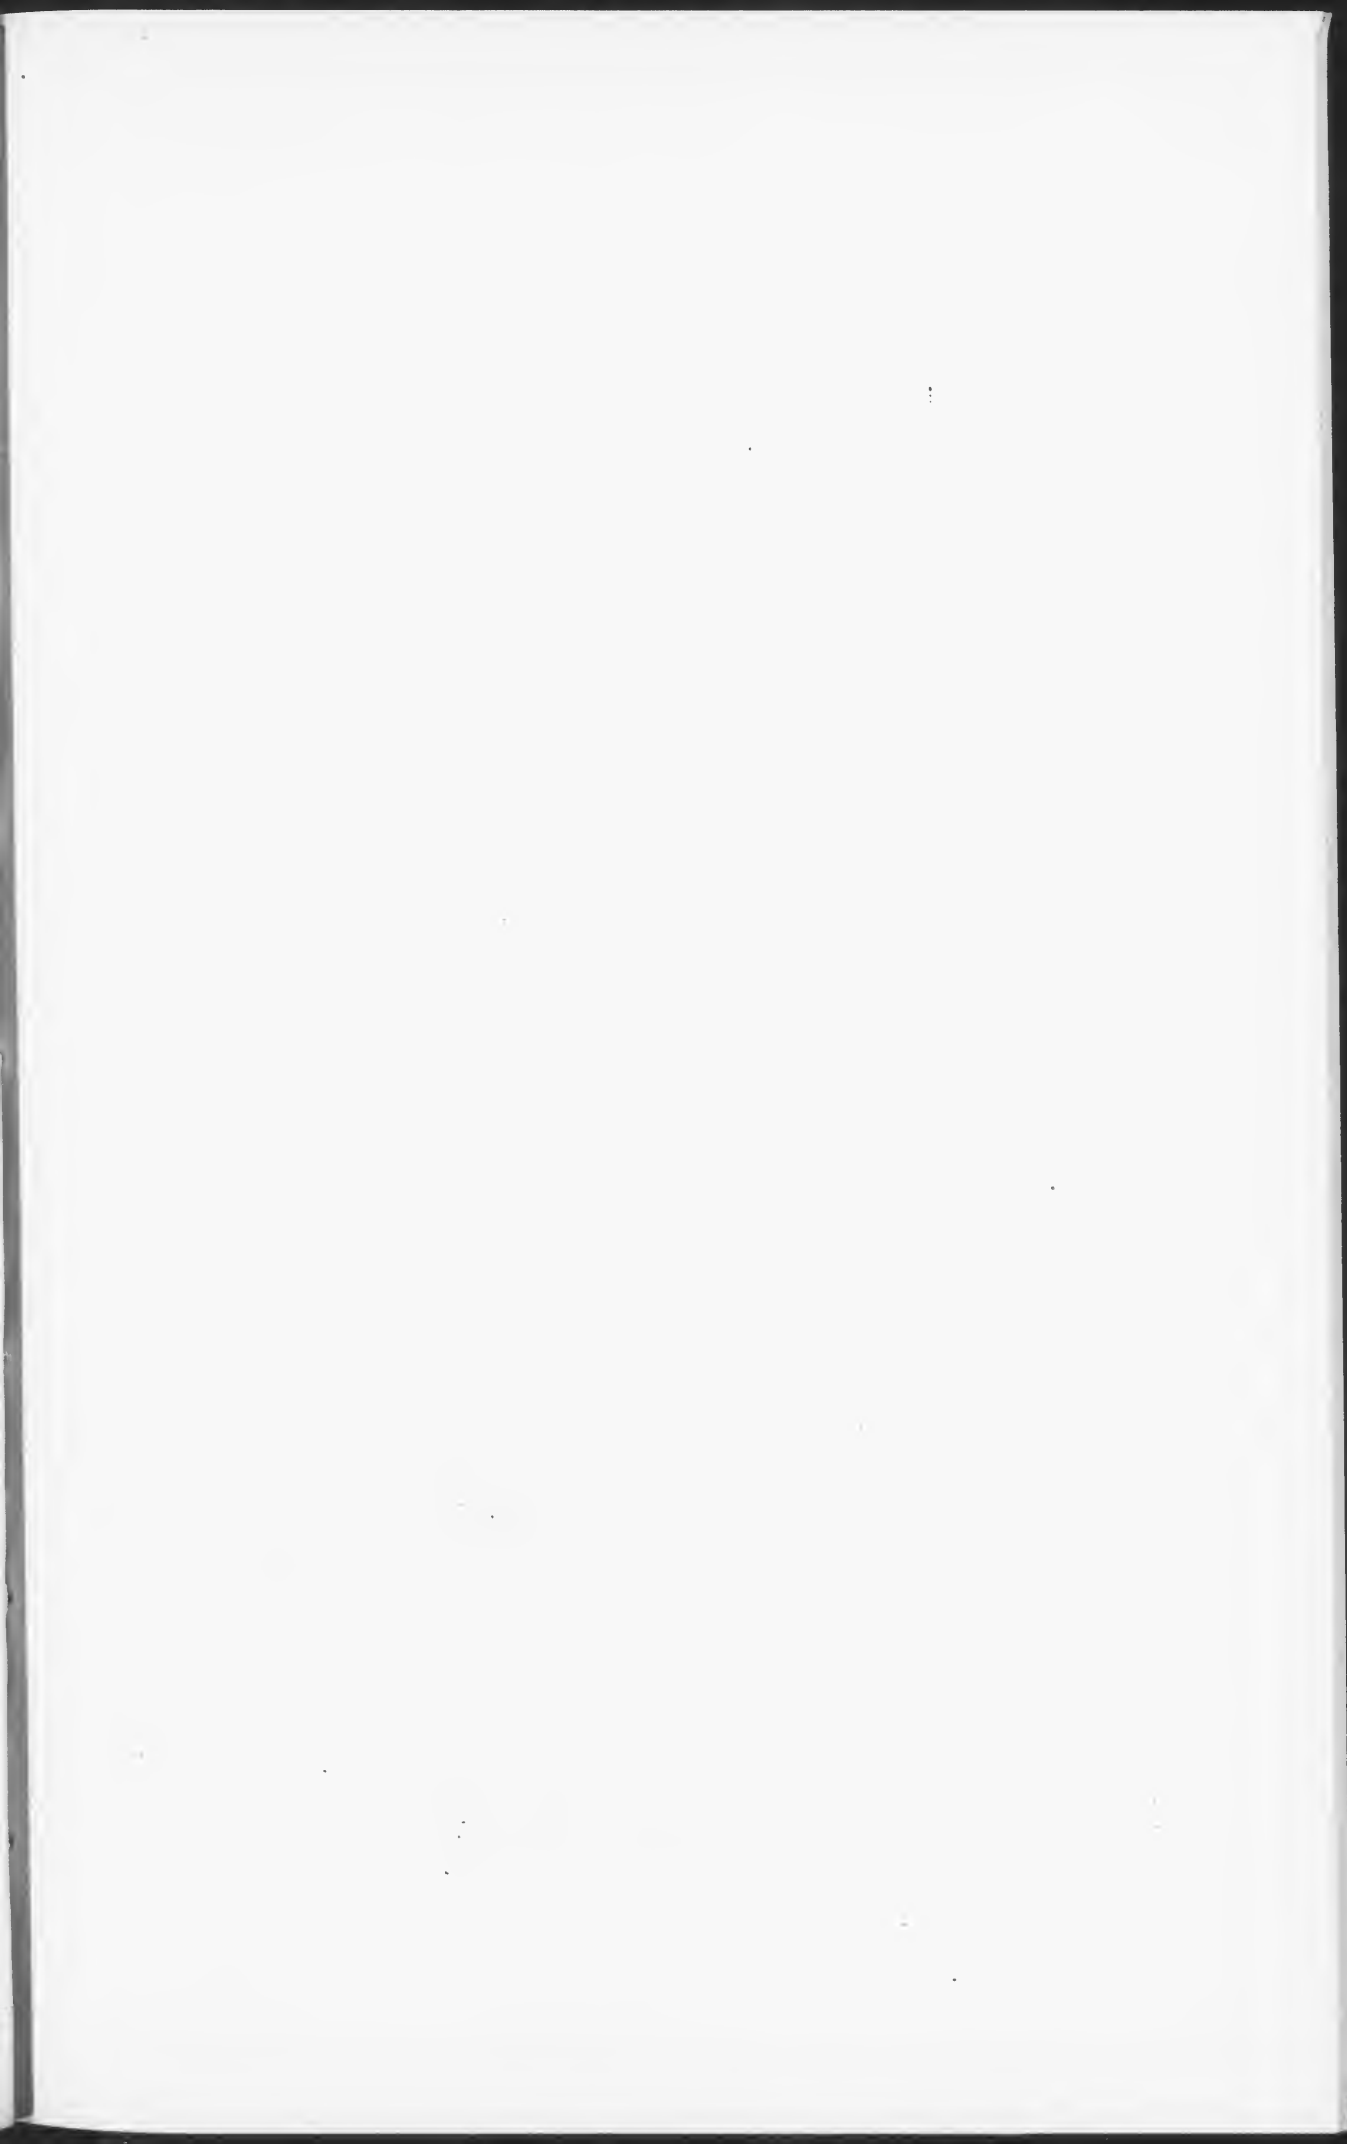

As a preacher Dr. Hiner was at his best. The pulpit was his throne. Everything was made subordinate and subservient to this. His mind was specially adapted to the science of theology. Though not bigoted, and not by nature a controversialist, he was a man of strong convictions, and ready to defend the doctrines of his church, if need be, even in public debate. His preaching was logical, strong, full of unction, and often powerfully moved the people. He was recognized as one of the first preachers in the Conference, and for many years filled its best stations and districts. He rendered valuable service as a curator of Kentucky Wesleyan College, honored the degree of "Doctor of Divinity," and served faithfully in three General Conferences, twice leading his delegation, besides being once elected as a reserve.

If a personal word may be indulged, the writer was a young man in Scott-street church, Covington, when Dr. Hiner walked up the aisle the first Sunday as pastor. What a splendid specimen of physical manhood. His eye, his step, his whole bearing indicated that he was a man for leadership. The choir sang Montgomery's Minister's Greeting:

"We bid thee welcome in the name
Of Jesus, Our Exalted Head:
Come as a servant—so He came—
And we receive thee in His stead."

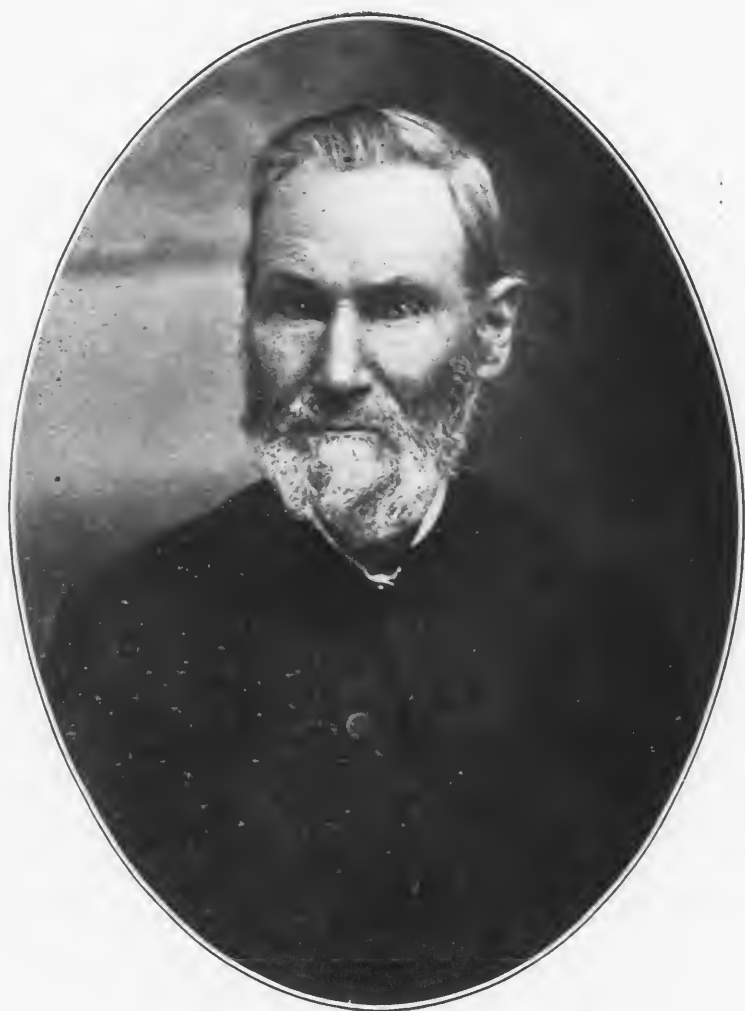

Then followed the successive verses "Come as a shepherd," "watchman," "angel," "teacher sent from God." So he came, and in some respects had one of the most memorable pastorates ever known by that old mother of churches. To one who rejoices to bear testimony to his fidelity it was the beginning of a happy life in the ministry. No young man, though satisfied with his call from God to the ministry, can ever forget the thrill of the first recognition of that call by one who is himself a success in that office. To many doubtless his pastorate marked a period of better consecration.

Dr. Hiner died at the residence of Bro. J. B. Howe at Carrollton, Ky., September 12, 1903. In the midst of friends to whom he had ministered as pastor in former years, he at last received the ministry of tender hands and loving hearts. Pages might be written on the loyalty and beautiful devotion of these people to this aged servant of God. At Dr. Hiner's request the funeral was conducted by the writer, assisted by the pastor, Rev. B. E. Lancaster (who referred touchingly to the last days of our brother), and Rev. M. S. Clark.

INTENTIONAL SECOND EXPOSURE

ROBERT HINER, D. D.

REV. G. G. RAGAN.

Recently Dr. Hiner, with his own hand, put this testimony on paper: "In forty-nine years of active service God has followed me, unworthy as I am and unprofitable as I have been, with an unceasing flow of recovering mercy and sustaining grace. The atonement—the atonement wrought out by the Divine Son of God, and through faith in Him, is the one only condition of a sinner's salvation. My faith takes hold on Jesus Christ in His atoning work, and I have a conscious assurance of present and eternal salvation. I am dying in full fellowship with all the members and ministers of all churches who love our Lord Jesus Christ. To my brethren of the Kentucky Conference these are my parting words. Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace, and the God of love and peace shall be with you."

W. F. TAYLOR.

REV. G. G. RAGAN.

Galen G. Ragan, son of Samuel and Sallie Smith Ragan, was born December 11, 1830, in Pulaski county, Ky. Died at his home in Preachersville, Ky., at 4 o'clock in the morning of November 29, 1903.

He was married to Miss Susan Godbey, of Pulaski county, Ky., April 8, 1850. He was converted at Vaught camp meeting, near Somerset, over fifty years ago, and thirty-eight years ago in Russellville, Ind., was most wonderfully sanctified. He began preaching soon after his conversion, preaching his first sermon in a private home on Clifton creek, in Pulaski county, and for more than thirty years he has been in the regular itinerancy in the bounds of the Kentucky Conference, serving numerous works through the mountain regions of the conference with acceptability. The balance of his ministerial life and work was spent in the evangelistic field, doing good work through Kentucky and Indiana. Under his ministry hundreds have been brought to Christ. His father having died when he was but three years old, leaving him an uneven fight in the battles of life, he fought well, and, like Paul of old, could say: "I have fought a good fight; I have kept the faith." What he lacked in education he endeavored to make up in faith and trust in God, and always preached with the "old-time" power. He organized and built several churches throughout the mountainous regions of Kentucky Conference, and, in the words of the Master, we can say: "He has done what he could."

He leaves a widow, four sons and two daughters, he being the first of a family of eight to receive his crown. Three of the sons are well known to the Methodism of Kentucky, W. B. having served as P. E. of London district and at present serving the Irvine charge; Josiah, formerly of the Kentucky Conference, is now serving work in North Carolina Conference, and John G. the Williamsburg circuit in the M. E. Church, Kentucky Conference.

His funeral services were held in the church which he himself caused to be built at Preachersville by his pastor, assisted by E. H. Pearce and P. J. Ross. During the three hours of waiting at the church for relatives on belated train not a moment

of waiting at the church for relatives on belated train not a moment was wasted and all were made to say: "The Lord moves in a mysterious way His wonders to perform." Blessings that came to all present was the best memorial of a life ended under the cross of Christ. How every heart was touched and every eye dimmed when the aged wife, who was blind, asked that the lid should be removed from the casket that she could lay her hand for the last time on him whom she could not see. She had shared his trials and joys for more than fifty years, and now waits in faith for the new and fadeless vision of the city of God.

JOINT BOARD OF FINANCE.

The communication from the Board of Trustees of the M. E. Church, South, with reference to the endowment fund of the superannuated preachers and their widows and orphans, has been considered by us, and we offer the following resolutions:

Resolved, That we are encouraged by the growth of this fund, and that we hereby express our gratitude to the Giver of all good.

Resolved, That we comply with the request of the Board embodied in the resolution passed at their last annual meeting, in May, 1904, that the pastors set apart Easter Sunday as the day ordered by the General Conference for the enlargement of this fund.

Inasmuch as Rev. J. R. Deering states to the Joint Board of Finance that while Presiding Elder of the Danville District, his claim on the Lancaster charge for the years 1902-1903 was \$60; and that he received only \$50 while the pastor, Rev. E. H. Pearce received his salary in full, and that he is, therefore, entitled to a pro rata share of the full amount paid, according to paragraph 196 of the Discipline, the Joint Board decides the matter in favor of plaintiff J. R. Deering.

MISSIONS.

The fifty-eighth annual report of the parent board reveals that the past year has been one of decided progress in all the mission fields operated by our church. The demand is for more laborers in the fields, white unto harvest. The increase in membership is the largest in any single year. Our native communicants now number 14,243, 96 missionaries, 82 wives of missionaries, 103 native traveling preachers, 201 local preachers, and other workers. The increase in the contributions of the home church is encouraging, being \$22,875.66. Nine annual conferences, 75 districts and 2,750 pastoral charges paying assessments in full for foreign missions.

With profound gratitude to God we learn that the war between Russia and Japan has not seriously interrupted the work of our missionaries. God is taking care of His own during this disturbed order of things. He is opening these lands, overshadowed with idolatry, to the influx of western thought and civilization. The church must embrace the God-given opportunity and take them the gospel of the Son of God. China, Japan, Korea, Brazil, Mexico and Cuba are all more ready to throw off the yoke of bondage and receive the messengers of the cross. To create a larger missionary conscience we recommend the circulation of that most excellent paper, "Go Forward," published by the Parent Board. We also request each pastor to apply for and judiciously distribute the leaflets provided by the Missionary Secretaries. We call attention to the Missionary Department of the Epworth League and the election of the fourth vice-president to look after the work. We urge that the Sunday-Schools be organized into missionary societies, as required by the Discipline. We request each presiding elder to appoint a district secretary who shall co-operate with the Conference Secretary in the promotion of the work throughout the Conference.

In our home fields are healthful signs of progress in the building of new and better churches and in larger contributions to the benevo-

lent collections. Let every pastor begin his collections early in the conference year and press them to the end.

We rejoice in the success that has attended our good women in their work of the Home and Foreign Societies. We pledge them our hearty co-operation.

We are glad to have with us Rev. W. B. Nance, of the China Mission Conference.

We recommend the appointment of Rev. E. C. Savage as Conference Missionary Secretary.

WOMAN'S FOREIGN MISSION SOCIETY.

The Woman's Board of Foreign Missions is represented in six different countries—China, Brazil, Korea, Mexico, Cuba and among the Indians. In these, 29 stations are occupied. There are 65 missionaries, 133 foreign and native assistants, 23 boarding schools, 52 day schools, about 5,000 women and children under instruction, 6 kindergartens, 2 hospitals, 3 Bible Schools, 118 Bible Women, and 283 scholarships. The year which closed in March was the most successful in our history, having more than \$132,000 contributed.

Our year's work in Kentucky Conference tells us that our contributions are larger than ever before, and yet our members do not increase as they should. While the few who are engaged in this work are learning sweet lessons of sacrifice day by day, the many are sitting at ease, with folded hands and with no sense of responsibility weighing upon them. Let each of us ask her own heart "How far am I personally responsible for this condition? Have I fulfilled my duty to my neighbor and friend in seeking to arouse her interest, and bring her

into this work that has done so much for me? Have I been a worthy representative by showing an untiring zeal, and by making the service such a delight to my own soul that they could but desire to share its blessedness?"

We present the following statistics for the year:

MRS. HELEN M. FORSYTH,
Corresponding Secretary.

WOMAN'S HOME MISSION SOCIETY OF KENTUCKY CONFERENCE FOR CONFERENCE YEAR 1903-1904.

In reviewing our labors as a Conference Society there is much to encourage and inspire us to greater faith.

The work is better understood and greater interest awakened since a Home Mission Society can be very helpful to the pastor, and the Parsonage Department is a very present help in time of trouble.

This year our aim is 1,000 members, and we would add a Home Mission Society to aid every preacher.

But the greatest need in the Home Mission Work to-day is women—women willing to be trained for the work of the church. There are calls for more than one hundred deaconesses, and only nine are ready for service. Pray that Kentucky Conference may give some of her choice women to this beautiful service.

Report for the Conference year ending September 1, 1904:

Number of adult societies.....	50
Number of juvenile societies	18
Total membership	770

EDUCATION.

The Board of Education rejoices in its ability to report a very prosperous year in its educational work. This has been in all respects the best year in the history of the college. The enrollment was larger than ever before, and the financial exhibit the most satisfactory. Our Dormitory, Clarke Hall, was well filled with students, who obtained board at very reasonable rates. The College Y. M. C. A. was especially active during the past year. The week of prayer observed by them proved to be a genuine revival season, in which a number of the young men were converted.

The president of the college has been diligent in his efforts to secure the \$15,000 necessary in order to obtain the \$10,000 promised by Mr. J. C. C. Mayo, and has met with considerable encouragement. Mr. Mayo has generously given his check for \$5,000, payable the 15th inst. The time for securing the remainder of this offer will soon expire. We would urge upon our people the necessity of immediate action in this matter, so vital to us. Such an opportunity has never presented itself to us before, and we should be wise to see and embrace it.

We note with pleasure the continued prosperity of the work at Campton. The management has been in every way satisfactory, and good work is being done.

We would report an unpaid subscription of \$2,350 on the Twentieth Century Fund, and urge upon all subscribers the immediate payment of the amounts subscribed.

The faculty for the ensuing year is J. L. Weber, D. D., President, Mental and Moral Science; B. T. Spencer, M. A., Greek and German; W. H. Garnett, Ph. D., Mathematics and French; W. S. Anderson, M. A., Chemistry and Physics; D. D. Peele, M. A., Latin and History; A. N. Pyles, A. B., English; Miss Gertrude Price, M. A., Assistant in Mathematics; Miss Ella Griggsby, Ph. B., Assistant in English.

The committee appointed by the Board of Education to confer with a like committee from the Kentucky Conference of the Methodist Episcopal Church with reference to a consolidation of our educational work in Kentucky reported a most fraternal and harmonious meeting, and that a feasible basis of union was found. We therefore recommend that the Conference appoint a commission to further confer with any commission that may be appointed by the Kentucky Conference of the M. E. Church, and report its action to this Conference.

We respectfully nominate as members of this commission W. F. Taylor, Chairman, J. L. Weber, Ed. C. O'Rear, Tim Needham and E. G. B. Mann.

J. R. SAVAGE, Secretary.

REPORT OF CONFERENCE BOARD OF EDUCATION.

We would call attention to the continued prosperity of Vanderbilt University as the great central institution of our church, and would recommend that we give it our loyal support, and that our young men, looking toward the ministry, avail themselves of the opportunity thus afforded them in preparing for their work.

It gives us great pleasure to note the progress made by our Correspondence School, there being at present an enrollment of 452 students, representing 36 Annual Conferences, 200 more than were enrolled last year. Thirty-five Annual Conferences have endorsed the movement, and have accepted the certificates of the Correspondence School in lieu of the Conference examinations. To our undergraduates we would commend this work as being much more thorough and helpful than the old method, and would urge upon them the wisdom of taking the course. Five of this Conference are enrolled and three have obtained certificates.

Our Payne and Lane Institutes are doing fine work, and we commend them to the liberal support of our people.

We recommend the assessment upon the Conference of \$339 for Payne and Lane Institutes, and \$3,339 for Education.

Our educational statistics are:

Pupils in academy	373
Total pupils	541

SUNDAY-SCHOOL.

With pleasure we mention the larger degree of success achieved in our Sunday-School work under the editorial skill of Dr. Atkins and the efficient instruction of Dr. Hamill.

We heartily endorse our Sunday-School literature, and urge its use upon all our schools. If some think it not cheapest financially, we declare it to be unsurpassed in adaptability, arrangement and merit.

We have at our present session of the Conference held our first anniversary. We think this is a decided advance. Our thanks are ten-

dered to Rev. D. B. Cooper and Dr. Atkins for excellent addresses. We also express our thanks to Dr. H. M. Hamill for his vigorous and instructive address.

We urge the observance of Children's Day in every Sunday-School. Also the holding of a Sunday-School Institute in each charge, conducted, when practicable, by the presiding elder, or, in his absence, by the preacher in charge.

Bible Teachers' Study Circles should be organized where practicable.

Your Epworth League Board begs leave to submit the following report:

We received and considered the communication from the General Secretary, Dr. H. M. DuBose, and recommend concurrence with the suggestions contained therein. In accordance therewith, we urge the committee having charge of the selection of representatives to the International Epworth League Conference, to be held in Denver, Colorado, to consider Rev. H. G. Turner and Rev. U. G. Foote as our choice to represent the Kentucky Conference Leagues.

Whereas, Lack of interest and activity in the work of the Epworth League abounds among the pastors of the Kentucky Conference, be it

Such an opportunity has never presented itself to us before, and we should be wise to see and embrace it.

We note with pleasure the continued prosperity of the work at Campton. The management has been in every way satisfactory, and good work is being done.

We would report an unpaid subscription of \$2,350 on the Twentieth Century Fund, and urge upon all subscribers the immediate payment of the amounts subscribed.

The faculty for the ensuing year is J. L. Weber, D. D., President, Mental and Moral Science; B. T. Spencer, M. A., Greek and German; W. H. Garnett, Ph. D., Mathematics and French; W. S. Anderson, M. A., Chemistry and Physics; D. D. Peele, M. A., Latin and History; A. N. Pyles, A. B., English; Miss Gertrude Price, M. A., Assistant in Mathematics; Miss Ella Griggsby, Ph. B., Assistant in English.

The committee appointed by the Board of Education to confer with a like committee from the Kentucky Conference of the Methodist Episcopal Church with reference to a consolidation of our educational work in Kentucky reported a most fraternal and harmonious meeting, and that a feasible basis of union was found. We therefore recommend that the Conference appoint a commission to further confer with any commission that may be appointed by the Kentucky Conference of the M. E. Church, and report its action to this Conference.

We respectfully nominate as members of this commission W. F. Taylor, Chairman, J. L. Weber, Ed. C. O'Rear, Tim Needham and E. G. B. Mann.

J. R. SAVAGE, Secretary.

REPORT OF CONFERENCE BOARD OF EDUCATION.

We would call attention to the continued prosperity of Vanderbilt University as the great central institution of our church, and would recommend that we give it our loyal support, and that our young men, looking toward the ministry, avail themselves of the opportunity thus afforded them in preparing for their work.

It gives us great pleasure to note the progress made by our Correspondence School, there being at present an enrollment of 452 students, representing 36 Annual Conferences, 200 more than were enrolled last year. Thirty-five Annual Conferences have endorsed the movement, and have accepted the certificates of the Correspondence School in lieu of the Conference examinations. To our undergraduates we would commend this work as being much more thorough and helpful than the old method, and would urge upon them the wisdom of taking the course. Five of this Conference are enrolled and three have obtained certificates.

Our Payne and Lane Institutes are doing fine work, and we commend them to the liberal support of our people.

We recommend the assessment upon the Conference of \$339 for Payne and Lane Institutes, and \$3,339 for Education.

Our educational statistics are:

Value of property.....	\$80,000 00
Endowment	51,877 64
Number of professors	13
Pupils in college	168
Pupils in academy	373
Total pupils	541

SUNDAY-SCHOOL.

With pleasure we mention the larger degree of success achieved in our Sunday-School work under the editorial skill of Dr. Atkins and the efficient instruction of Dr. Hamill.

We heartily endorse our Sunday-School literature, and urge its use upon all our schools. If some think it not cheapest financially, we declare it to be unsurpassed in adaptability, arrangement and merit.

We have at our present session of the Conference held our first anniversary. We think this is a decided advance. Our thanks are ten-

dered to Rev. D. B. Cooper and Dr. Atkins for excellent addresses. We also express our thanks to Dr. H. M. Hamill for his vigorous and instructive address.

We urge the observance of Children's Day in every Sunday-School. Also the holding of a Sunday-School Institute in each charge, conducted, when practicable, by the presiding elder, or, in his absence, by the preacher in charge.

Bible Teachers' Study Circles should be organized where practicable.

EPWORTH LEAGUE.

Your Epworth League Board begs leave to submit the following report:

We received and considered the communication from the General Secretary, Dr. H. M. DuBose, and recommend concurrence with the suggestions contained therein. In accordance therewith, we urge the committee having charge of the selection of representatives to the International Epworth League Conference, to be held in Denver, Colorado, to consider Rev. H. G. Turner and Rev. U. G. Foote as our choice to represent the Kentucky Conference Leagues.

Whereas, Lack of interest and activity in the work of the Epworth League abounds among the pastors of the Kentucky Conference, be it

Resolved (1). That it is incumbent upon preachers in charge to organize an Epworth League in every Methodist congregation; that each presiding elder be urged to inquire particularly why this is not done; or, if attempted without success, why the effort is not con-

tinued, and that the answers be spread upon the District Conference Records.

2. That we request each presiding elder to hold a two days Epworth League Conference in the bounds of his district.

3. That each presiding elder see that his district is organized.

4. That we arrange for an annual Epworth League Conference.

5. That we arrange for an Epworth League Anniversary at our next Annual Conference.

H. G. TURNER, President.

J. W. CRATES, Secretary.

BIBLE SOCIETY.

Your board is rejoiced to report a successful year for the American Bible Society. We hail with gratitude the good news of a reduction in the deficit reported last year.

The Society is doing a most noble and far-reaching work. No benevolence outweighs it in importance. The demand for the Word of God and the opportunity for its distribution was never as great as now.

Despite the political troubles in the far east, the demand for the Word of God at the present time is marvelous. Therefore, we beg leave to offer the following resolutions:

(1). That eleven hundred dollars be assessed upon the Kentucky Conference for the Bible Cause.

(2). That the pastors take up the annual offering early in the Conference year.

(3). That each pastor preach on the Bible at least once during the year.

T. W. BARKER, Chairman.

C. A. BROMLEY, Secretary.

BOOKS AND PERIODICALS.

Your committee would respectfully submit that, in the communication from our Book Agents at Nashville, we note with delight the unprecedented sales of the past year, and the profit thereon of \$51,352.02. This is the more remarkable in face of practically no demand for our obsolete Hymnal, and no income from our general organ.

To only a few of our preachers is it needful to say that no book or publishing house in our broad land offers a larger variety of first class literature, or better terms or more prompt and courteous service.

It may be worth while, however, to say to many more that no slight cause should divert even temporarily our patronage from our own establishment. Our Review is invaluable to us. Our Sunday-School and League publications have reached an enormous sale, and yet not half of what they deserve, and must have, if we are to protect our homes and preserve the foundations of our Methodism. No influence that creates and shapes character should receive in this age such careful prevision, ample provision and prayerful solicitude as the literature of our young people.

That the Nashville "Christian Advocate," our connectional organ, and the "Central Methodist," our Conference organ, have but a meager support is cause for alarm and heart searching. It would abate our apprehension if cause for this could be found in the poverty of our people, or in the literary or spiritual deficiency of these papers. That their places are filled by secular journals, at greater expense, only intensifies the fear for the spiritual safety of our flocks.

This, more than any period, is a reading age, and pre-eminently the age of the newspaper. The official statistics of the newspaper press give an annual circulation of nearly nine billion copies, or nearly two copies per day for every family in our country. Of this literature our religious papers form an almost inconsiderable part.

We need a Christian interpretation of the providential changes taking place everywhere—a force that makes for peace, purity, reverence, truth and faith in God and His revelation. We need an exponent of doctrine and a leader of enterprises that shall unify the effort and connectionalize the spirit of our people. Such are the Christian Advocate and Central Methodist: The first by generous enterprise of our church, provided with a magnificent plant and an editorial staff as finely endowed as any in our broad land; the latter, through the liberality of brother Wirgman, with an adequate plant, and under editorial conduct of Bro. Batson, whose intellectual and moral qualifications have been vindicated by many years of faithful service under the eyes of our people.

We take no risks with these. We take many without them. None surpass them for our purposes—in fact none equal them. We offer the following resolution:

Resolved, That we will make a steady and resolute effort to introduce one or the other of these papers, and, if possible, both, into every family in our membership during the next year.

C. F. EVANS, Secretary.

TEMPERANCE.

The law of God is a law of prohibition, prohibiting every thing that is wrong. The liquor traffic is wrong; then it is the duty of every citizen of the Kingdom of God to uphold the law. When he fails to do this he can not be said to be a good citizen.

If any enemy should assail our Civil Government, and one of our subjects should side with the enemy, said subject would be branded

as a traitor. The liquor traffic is legalized and sustained by the suffrage of the people. Therefore, when any Christian casts his ballot for a man or party bound to the liquor traffic the said voter is aiding and abetting the traffic.

Bro. T. W. Watts, a member of our Committee on the "Interdenominational Local Option Committee" of Kentucky, reports that he has collected about \$150 and sent the same to said Committee.

We hail with joy all the movements looking to the ultimate destruction of this traffic. A communication from the Kentucky Interdenominational Local Option Committee sets forth a plan by which this work may be transferred to the Anti-Saloon League, which plan we most heartily endorse, and would especially impress the need of our clergy and laity helping by sympathy, endorsement and contribution that portion of the work which looks toward the employment of an attorney to look after all legal phases of the work in the State.

Resolved (1). That we promise to co-operate with the officers of said League in whatever they desire our co-operation. Also that we will welcome its workers to our church houses to present their work.

Resolved (2). That we recommend the appointment of Revs. J. L. Weber and J. D. Redd as delegates to convention to be held at Columbus, O., and as trustees of said league of State of Kentucky Revs. J. W. Hughes, J. A. Sawyer and W. E. Arnold from the clergy, and Messrs. Brice Goldsboro and Geo. W. Bain from the laity.

Resolved (3). That, whereas it has been the voice of this body, so expressed at the Nicholasville Conference that we do not use fermented wine at our sacramental services, we sincerely urge the faithful observance of the same.

Resolved (4). That we pledge ourselves by every laudable means to do all in our power, through the proper State officials or in any way possible, private or public, to secure the passage of the Hepburn-Doliver bill in our U. S. Congress.

Resolved (5). That inasmuch as the use of tobacco is injurious to nerve and mind, and is not a wholesome example for the young, be it respectfully requested of our ministers that they refrain from the use of the same.

Resolved (6). Since, as head of a great church, Bishop Potter has publicly given his blessing to the notorious "Subway Saloon," in the City of New York, that we, as a Conference, record our unalterable disapproval of such conduct, and express ourselves as believing it will be fruitful in the loss of the soul of many men and women.

J. D. REDD, Secretary.

SABBATH OBSERVANCE.

The Sabbath is one of the two institutions which have come down to us from Eden, and, like marriage, is universal in its nature, and is adapted to all conditions of humanity.

The law of the Sabbath was originally written in the constitution

of man, and later was embodied in the decalogue, recognized and confirmed by the Son of God, and perpetuated as the Lord's day of the Christian Church.

We are alarmed at the rapidly increasing disregard for the sanctity of this day of rest. It is becoming a day of self-gratification—of feasts and social functions, of pastimes and popular amusements.

The open saloon and the open Sabbath are twin evils which must be suppressed if we preserve our civilization, and transmit to posterity the benign institutions received from our fathers.

The grasping and grinding spirit of avarice is converting the Sabbath into a day of business, and robbing millions of laborers of their God-given day of rest and worship.

The strenuous living of the present time demands, as never before, a weekly day of rest. The duty of the church in preserving the day of rest is plain. The pulpit and the religious press must be prime factors in this great struggle. Christian men and women everywhere must contend for the maintenance of this divine institution or it will be lost.

Resolved (1). We heartily endorse the "International Congress on Sunday rest" to be held under the auspices of the "Universal Exposition" in St. Louis, October 11-14, 1904, composed of delegates from thirty-five countries, representing the Christian Churches of the World. We recommend that this Conference appoint two delegates to sit as members of that body, as requested by the Secretary of said Congress, Rev. Edward Thomson, L. L. D., Hall of Congress, Exposition Grounds, St. Louis. We nominate J. J. Dickey and T. F. Taliaferro as delegates to said Congress.

Resolved (2). That we will teach our people from the pulpit and by circulating literature on the subject, their obligation to keep the Sabbath holy, and the disastrous results both to Church and State that must inevitably follow the violation of the Sabbath law.

J. W. HUGHES, Chairman.

J. J. DICKEY, Secretary.

ORPHANS' HOME.

The success of our Methodist Orphans' Home at Louisville is marvelous, and we hail with delight the fact that we have no liabilities. We owe no little to the untiring efforts of the President and the Agent for this success. From facts gathered we learn that there are now in the Home 62 children—29 girls and 33 boys, and applications for 21 more are being investigated. Six of these have been accepted, making 68 now in our Home.

Valuable improvements have been made during the year, all of which are paid for. We now have a Home equal to any in Kentucky. Donations in the way of boxes, clothing, etc., have exceeded any previous year. One thousand five hundred dollars have been received from

the will of Mrs. Catherine Wilson, with more to follow. We insert here the financial statement of the Board:

The financial statement at this date is as follows:

H. WIRGMAN, President.

Resolved (1) That we request the earnest co-operation of all the pastors and of our people in the support of our Methodist Orphans' Home, which has opened its doors to our orphans.

Resolved (2) That we ratify the appointment of E. S. Boswell as Agent, and of Mrs. Florence M. Pickard as Matron of the Home.

DISTRICT CONFERENCE RECORDS.

We have had before us the records of all the districts, and have carefully examined them.

The Lexington District Record has the appearance of being hastily and carelessly written, and to this we must attribute many mistakes.

The Frankfort District Record has the appearance of being a carefully made up record. It is a new book, with only one record in it.

The record of the Maysville District was on foolscap, and was not carefully written. The Maysville District has no Record Book. We think this is inexcusable. We call the attention of the presiding elder to it.

The Danville and Covington Districts both have well kept records. Respectfully submitted,

E. K. PIKE, Chairman.

T. B. COOK, Secretary.

NOTE.—Many of the brethren did not hand in complete reports, hence this table is incomplete. For want of space, cents have been omitted in several columns. In figuring out percentages and per capita payments, the cents have been included, hence some slight discrepancies in above figures. Of course all fractions are omitted. The labor of preparing this table was so great that the editor has not been able to go over the figures a second time and verify them. Some mistakes may be found on this account.
